

What do you do well?

- I am sensitive (intuitive?) - able to perceive peoples' needs
 - I am a good organizer
 - I am a good facilitator (groups)
 - I am a good listener
- These gifts help me facilitate ministry at St. Paul's → get the Food Pantry open!!
- I am good liturgically - in my role as deacon

What will you do to strengthen these gifts as they relate to your diaconal ministry?

- Learn how Food Pantry's work in relation to Utah Food Bank L.M. for Leanna 2/14
- Take a class on organizational structures (?)
- Connect w/ other ^(local)deacons to learn about community needs → joint ventures?
- Asked for advice on Anglo deacons listserve, esp. thinking about volunteer burnout
- What about a class on how to be a volunteer co-ordinator
